# TLA Changemakers

## **We are School Councillors...**

we play a very big part in helping to make Trenance a happy and exciting school. Our job is 'to make a difference' – we 'speak up' and are the voice of our class. All 'likes' and 'dislikes' that we talk about or focus on during School Council Meetings are taken very seriously and suggestions are passed on to Mr Williams.

## **We are House Team Captains...**

we lead the House Teams in all our team challenges, making sure everybody feels part of the team. We also model and show others how to be a good team player.

## **We are Safety Ambassadors...**

we help the grown-ups to make sure our school is happy and safe. We particularly work with the grown-ups in the Safeguarding and Wellbeing Team to make our school the best it has ever been.

## **We are Wellbeing Champions**

we are kind, caring and spread happiness around the school. We work with adults in our school to show everyone how they can keep themselves happy and healthy. We encourage everyone to be kind, to celebrate their differences and to respect each other.

## **We are Fab Friends...**

we are on duty every day! We know lots of games and ways to have fun. We are very kind, caring and help others. We make sure than no-one is lonely at playtimes. We encourage everyone to stay healthy.
